About Us

Precision Asset Solutions Pvt. Ltd. (PASPL) is a fast-growing provider of Asset Leasing, Equipment & Spares Trading, Energy Solutions, and High-Performance Tyres, supporting key sectors including Oil & Gas, Power & Energy, IT & Digital Infrastructure, and Mining.

A Joint Venture between Swan Corporation and Divinus Alternative Investment Fund,

Precision Asset Solutions is built on a strong foundation of integrity, trust, and operational excellence—delivering reliable, scalable, and performance-driven solutions across India.

Leveraging **Global-grade Turbine Spares, Gas Gensets, Construction Machinery, and**

authorized distribution of Yokohama ATG Tyres, PASPL serves both India and global locations.

With a **strong procurement network, strict quality control, and expertise in new/used spare parts and refurbished equipment,** we ensure timely delivery, superior performance, and trusted partnerships—helping businesses reduce capital burden and scale with confidence.

Asset Leasing Solutions

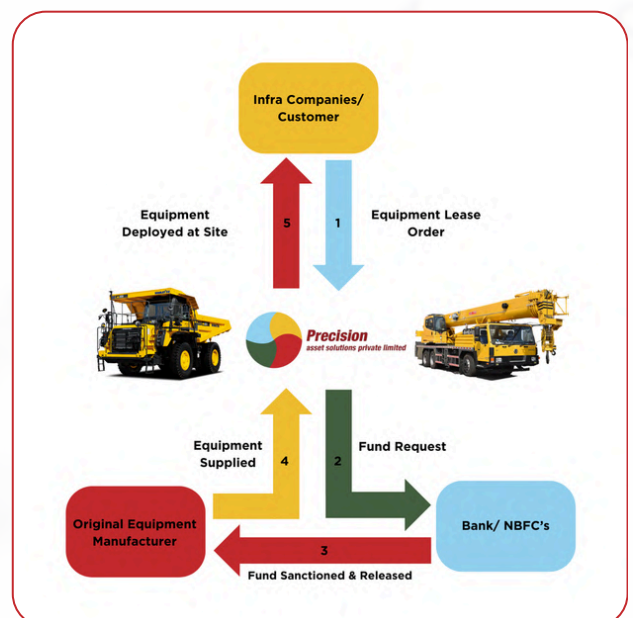

PASPL offers Flexible, Low-Cost Leasing Solutions that give businesses access to essential assets without Heavy Upfront Investment—improving Liquidity, Reducing Financial Risk, and enabling faster Growth.

Assets We Lease

- IT & Office: Servers, Laptops, Workstations, Furniture & Fit-outs
- Medical: CT, X-Ray, Diagnostic Equipment
- Construction & Mining: Excavators, Loaders, Cranes
- Commercial & Industrial: Trucks, Trailers, Heavy Machinery
- Warehousing: Forklifts, Stackers, Pallet Trucks, Racking
- Solar & Energy: Panels, Inverters, Storage Systems

Key Benefits

- Zero CapEx: Low Rentals, Preserve Cash
- Tax Savings: Lease payments fully deductible
- Cost-Efficient Financing: Cheaper than Loans
- Fixed Rentals: Protection from Inflation
- Flexible Upgrades: Scale or Replace anytime
- Buyout Option: Own at minimal residual value
- Better Cash Flow: More liquidity for business growth

Energy Solutions

Core Competency: End-to-End Gas and Diesel Based Power Solutions

Precision Asset Solutions Pvt. Ltd. (PASPL) specializes in delivering High-Efficiency, Gas and Diesel Based Power Solutions Across the Full Lifecycle – Encompassing Sale, Leasing, and Rental of advanced Gensets with O&M Contract.

Leveraging deep Technical Expertise, We provide Turnkey Energy Systems including Combined Heat and Power (CHP) Setups, Heat-Recovery Boilers, and Chillers, designed to Significantly Reduce Operating Costs and Maximize Efficiency.

Key Offerings

- Gas Genset Solutions: Sale and Leasing of High-Efficiency Gensets from Leading Manufacturers (e.g., CAT, MWM, Cummins, MTU, GE Jenbacher, etc.)
- Rental Power: Flexible Rental Gensets for Reliable Continuous or backup Power Needs.
- Turnkey CHP Projects: Customized Combined Heat and Power Systems Incorporating Heat Recovery and Chilling Capabilities.
- Custom Energy Solutions: Specialized Power Generation for Diverse Sectors, Including Manufacturing, Healthcare, Automotive, Warehouses, Infrastructure, and IT / Data Centres.

Why PASPL?

- Modular & Scalable Power: Units from 750 kW to 10 MW (LV/HV) match exact requirements.
- Zero Capital Burden: Zero Upfront Cost financing allows easy, Scalable Capacity Expansion.
- High Efficiency: Integrated CHP recovers Steam and Chilled Water for Maximum Utilization.
- Fuel Flexible: Optimized for both Natural Gas, Flare Gas, Well Head Gas & CBM.
- Turnkey Reliability: Outdoor-Ready systems backed by Full O&M, Remote Monitoring, and dedicated Support.

OUR OFFERINGS

Equipments & Spares Supply

Global Sourcing of New and Used Gas & Steam Turbine Spares, Construction Equipments & Hydraulic Components, Refurbished Equipments from OEM's backed by Strict Inspection and Quality Checks.
